The Thompson/Center Association is an independent organization dedicated to the collecting of Thompson/Center Arms products. Members share information about the various items within their collections, noting the variations of each, as well as various items that have surfaced throughout the years, such as flat side and Eagle etched Contender frames as well as many of the hard to find octagonal barrel offerings. This is done primarily through the pages of the Association's official quarterly publication, "One Good Shot".

Whether you're a shooter, a collector, or simply interested in the products manufactured by the Thompson/Center Arms Company, join the fun by filling in the form below and mailing it to the above address along with your payment.
